

**ADDENDUM #1
RFP-2017-BIDC-11-TARGE**

On June 3, 2016, The New Hampshire Department of Health and Human Services, Division of Public Health Services, Bureau of Infectious Disease Immunization Section published this Request for Proposal to seek proposals from Vendors to provide a Coalition Coordinator to re-establish the coalition, Granite State Immunization Partnership that has been inactive for several years.

3.5 Staffing

The Department seeks a person or persons to complete the scope of work that would equal one full time equivalent (40 hours per week). The Vendor shall have experience in Public Health, building and operating a coalition, and developing a 501 © (3) coalition status.
